

LICENSED MUSIC & INTELLIGENT MESSAGING

MORE THAN MUSIC. A SMARTER WAY TO COMMUNICATE.

1Fiit AIR™ combines fully licensed music with intelligent messaging tools to help businesses create engaging customer experiences while promoting products, services, events, and important announcements. Designed for retail, hospitality, healthcare, education, and workplace environments, 1Fiit AIR™ transforms background music into a powerful communication and marketing channel.

LICENSED MUSIC FOR BUSINESS

PROFESSIONAL MUSIC WITH PURPOSE

Create the right atmosphere with professionally curated music designed for commercial environments. Whether serving customers, employees, patients, students, or guests, the right music helps enhance experiences and strengthen your brand.
