CONTROL & MANAGEMENT

TAKE CONTROL

Manage your music from anywhere with powerful scheduling and central dashboard tools. Whether you run one store or hundreds, Soundtrack makes consistency simple.

KEY FEATURES

- Schedule playlists by day and time
- Adjust music instantly on demand
- Filter explicit lyrics automatically
- Central dashboard for multiple locations

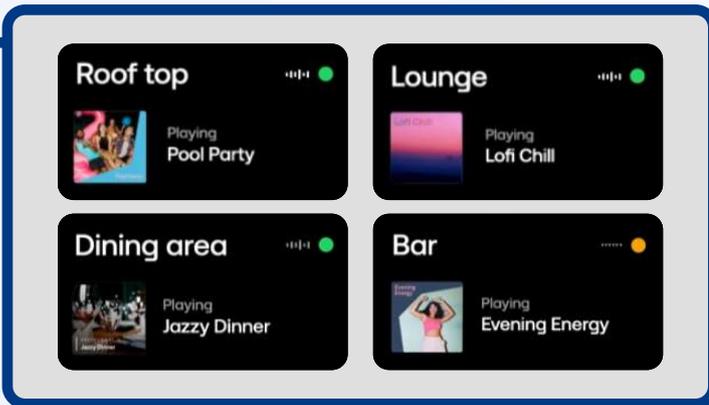

Soundtrack for Business

ENGAGEMENT & BENEFITS

BOOST CUSTOMER EXPERIENCE

The right music keeps customers longer and encourages higher spending. With Soundtrack.io, you're not just playing music—you're creating atmosphere.

WHY IT MATTERS

- 92% of businesses see longer stays with the right music
- Legally compliant – unlike consumer apps (Spotify, Apple Music)
- Supports artists fairly (up to 5x more than personal services)

PLANS

FLEXIBLE PLANS FOR EVERY BUSINESS

From a single café to enterprise chains, Soundtrack scales with your needs.

STARTER

Ad-free business streaming, playlists, scheduling, lyric filtering

ESSENTIAL

Adds multi-location dashboard, Sonos support, AI stations, API access
